

Why I Count !

5 Questions to answer, record, and project.

- 1 This is what I am good at.
- 2 This is how I prefer to work.
- 3 These are my core values that I embrace at work (try to keep this list to a memorable few and if possible, try and think of one or two that describe your values in a unique way).
- 4 This is the contribution I plan to concentrate on, and the results I plan to deliver.
- 5 This is what I will be known for in the organisation. (Or even, this is what I want to be 'famous' for!) ...
