While there is value in the items on the right, we value the items on the left more:
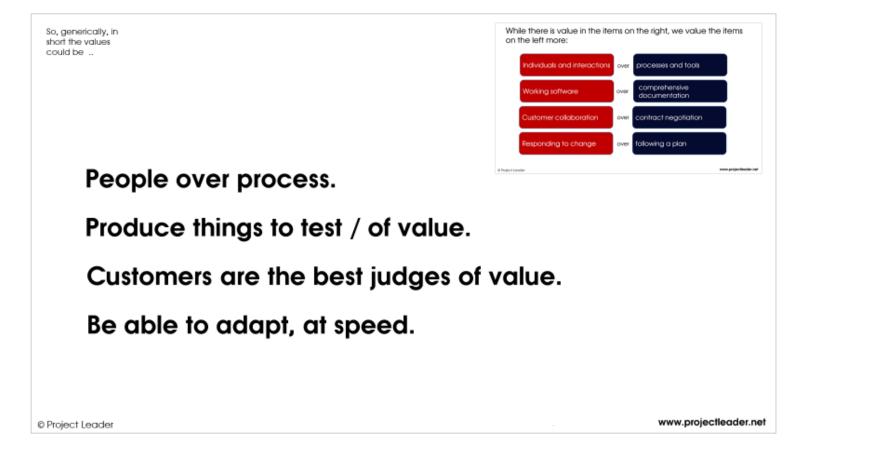

Individuals and interactions	over	processes and tools
Working software	over	comprehensive documentation
Customer collaboration	over	contract negotiation
Responding to change	over	following a plan

2001 Agile Manifesto – 'Values'

Consider the 4 'Values' of the Agile Manifesto

So, generically, in short the values could be ..

While there is value in the items on the right, we value the items on the left more:

Individuals and interactions	over	processes and tools
Working software	over	comprehensive documentation
Customer collaboration	over	contract negotiation
Responding to change	over	following a plan

People over process.

Produce things to test / of value.

Customers are the best judges of value.

Be able to adapt, at speed.
